Customer Administrator*:	_____		
Phone Number:	_____	E-mail Address:	_____
Fax Number:	_____	Dun & Bradstreet No.:	_____

***ANR Pipeline Company requests that you identify one individual as the Customer Administrator (primary contact) for your company regarding the Gas Energy Management System (GEMS). This individual's Logon account will have the following capabilities:**

- 1) To create additional company Logon accounts directly through GEMS.**
- 2) Control over access (i.e. read-only, change, delete and update) to GEMS applications for all accounts belonging to your company.**
- 3) Read access to unopened electronic mail destined for individuals at your company to allow them to monitor your company electronic "in-box".**

Complete the above information and e-mail to: Usman_khan@TransCanada.com.com or send via fax to Usman Q Khan at 832-320-6418. ANR Pipeline Company will then submit a Gas Energy Management System (GEMS) Agreement for execution. Upon receipt of the executed agreement, ANR Pipeline Company will contact you with an unique GEMS Logon account and password.

If there are any questions pertaining to this request, please contact Usman Q Khan at 832 320-5418 or call 1-800-8-ASK-ANR, option 6.
