Re: ANR Pipeline Company  
Docket No. RP16-440-000  
Errata

Dear Secretary Bose:

On January 29, 2016, ANR Pipeline Company (“ANR”) submitted a general rate and tariff change filing pursuant to section 4 of the Natural Gas Act (“NGA”), 15 U.S.C. § 717c(e), and Subpart D of Part 154 of the regulations of the Federal Energy Regulatory Commission (“FERC” or “Commission”), 18 C.F.R. §§ 154.301-315. It has since come to ANR’s attention that in converting one of the exhibits from Excel, certain data was lost and thus the exhibit contained some inaccurate calculations. Thus, ANR is filing “Revised Exhibit No. ANR-59,” to reflect the correct version of that exhibit. ANR respectfully requests that the Commission replace the version of Exhibit No. ANR-059 filed on January 29, 2016 with the Revised Exhibit No. ANR-059 contained in this filing.

### **Certificate of Service and Posting**

In accordance with Rule 2010 of the Commission’s Rules of Practice and Procedure, 18 C.F.R. § 385.2010, a copy of this filing, together with all enclosures, is being served upon all jurisdictional customers and interested state regulatory agencies.

Copies of this filing are being posted in accordance with Section 154.207 of the Commission’s regulations, 18 C.F.R. § 154.207.

Ms. Kimberly D. Bose
