Note:	This file contains an aggregation of natural gas pipeline	and expansion projects slated to comme	ence operations
	in coming years. The data are not collected on an EIA		•
			•
	SNL, FERC, Bentek, and other industry sources on pla		
	additions that come online may be significantly differen		
	not a forecast. For further information, see the "Definit	ions" tab. Generally, only transmission li	nes are included

in this file; gathering lines, distribution lines, and LNG marine terminals are excluded.
